

Spurgeon and the Bookworm

C. H. Spurgeon on one occasion went into Scotland and stopped at a wayside inn. There he picked up an old worm eaten Bible.

He held it up between himself and the sun, and there was just one place that he could see the light clear through. One worm had begun at Genesis and eaten right through to Revelation.

Mr. Spurgeon said, "Lord, make me a bookworm like that!"

Oh, that we all could just eat into the Bible, a little section at a time! But if you study it word by word, you will be enriched. Word studies of the Bible are like picking up pearls and diamonds.

Emerald Beach Church of Christ is still in need of financial support. Any monetary help will be appreciated as we are a small but growing congregation that is doing the work of the Lord here on the Beach of spreading the Good News of the Gospel.

Our Food Pantry is almost empty. Needed are canned goods such as beans, canned meat, and chili.

Remember those less fortunate than you. God will bless you!
